PHILOSOPHY, ORGANIZATION AND OVERALL EXPECTATIONS
THE PORTER-GAUD SCHOOL CREST

The two miters in the upper left portion of the seal represent the two Episcopal Church dioceses which have done so much to foster the growth and development of the School.

The wreath in the lower portion represents honor and achievement, while the scroll and torch in the upper right hand corner stand for knowledge. From these symbols is derived the school’s motto, **FIDES, HONOR, SCIENTIA** (faith, honor, knowledge). In the center of the seal is the fleur-de-lis adopted as the royal emblem of France by Charles V in 1376. Here it symbolizes the unity of the three schools which were combined to form Porter-Gaud.

**PORTER-GAUD ALMA MATER**

Above the grand old oaks by the Ashley
Stands a tow’r in wisdom, our guide,
Ringing, reaching to us, her congregation,
Our teacher, our mentor, our pride.

The memories of youth that we cherish,
Of the halls where the anthems resound,
Times gone by will call us here together,
A family, through our love we are bound.

Porter-Gaud, we stand and salute thee.
By the cross fly the banners of garnet and gray
A pillar of knowledge, of honor, and truth.
In our hearts your memory will stay – Porter-Gaud!

PORTER-GAUD MISSION STATEMENT
(Revised by Board of Trustees, 2007)

Porter-Gaud School is an Episcopal, coeducational, independent, college-preparatory day school with a diverse student body.

We acknowledge the sovereignty of God, recognize the worth of the individual, and seek to cultivate a School community that endows its citizens with a foundation of moral and ethical character and intellect.

Porter-Gaud fosters a challenging academic environment that honors excellence in teaching and learning, respects differences, expects honesty, and applauds achievement.

The School strives to create an environment that nurtures and protects what we value most in our children: their faith, their curiosity, their talents, their integrity, their humanity, and their dreams.

A History of WATCH

Like most stories passed down over years, there are several versions of how these came to be “WATCH WORDS” here at Porter-Gaud. Our archivist, Ralph Nordlund, tells us that around the turn of the twentieth century, a minister visited the campus to deliver a sermon to the boys of Porter Military Academy and took notice of the Porter Family crest that the boys wore on their uniform. At the bottom of that crest was the word “WATCH,” and from it, the minister built an anagram to highlight the message he wanted the PMA boys to hear that day. His text was from II Timothy, “But WATCH thou in all things . . .”

This symbol and that minister’s words endure today as a reminder of our mission to cultivate a School community which helps its students build a “foundation of moral and ethical character and intellect.” We support our students in developing productive habits in their thoughts, words, and actions which will develop the strength of character necessary for thoughtful lives of purpose and service.

DISCLAIMER

Being a part of the Porter-Gaud community is a privilege, not a right. The guidelines and policies outlined in this handbook are not part of the enrollment contract and do not confer any contractual rights on any party. The effective management of a school community requires that the school have broad discretion in addressing individual circumstances and situations that arise in the life of the school so as to carry out the school’s mission.
THE HONOR SYSTEM

Porter-Gaud School affirms the importance of honor in a civilized society. Being honest with oneself and with all others is essential in building the relationships of trust that are the core of a healthy school community. The Honor Code of the Porter-Gaud School seeks to instill in students an active regard for the standards of personal integrity, trust and responsibility to both community and self. The idea that no one should lie, cheat, or steal is an essential expectation of this school and the individuals who attend it. The Honor Code includes but is not limited to the following:

I. LYING/DECEIVING/OMISSION

Intentionally deceiving, omitting, or lying to instructors, staff members, or administrators about any school business, including giving or “lending” one’s athletic pass to anyone else or using someone else’s pass; Not turning in your phone as you enter each school day.

II. CHEATING

A. The giving and/or receiving of visual, oral or written assistance during a test or examination without the knowledge and expressed consent of the instructor;

B. Talking to any student who has not yet taken the test or exam about information on the test, or the use of this information by a student, all without the knowledge and expressed consent of the instructor concerned;

C. The passing of completed workbooks, tests or written assignments to another student or the use of these materials by another student except with the permission of the instructor;

D. During a quiz, test or examination, the use or possession of unauthorized material;

E. The copying at any time of another student's homework or knowingly allowing one's own homework to be copied, except with the permission of the instructor;

III. STEALING

A. The stealing of any Porter-Gaud property or property of the faculty, administrators, students, or visitors to Porter-Gaud School, including taking books, lunches, or any other materials from another person's locker without permission;

B. The stealing of any property of any other school, or of the faculty, administrators, staff or students at that school or visitors to the school while at that school as a part or member of any team, club or organization representing Porter-Gaud School;

C. Stealing while representing Porter-Gaud in any official capacity.
STUDENT OPTIONS

These are the choices under the Honor System for Porter-Gaud Middle School students:

A. to warn a student to discontinue an activity such as those listed in I, II and III;
B. to report the violator to the Dean of Middle School or Head of Middle School
C. to advise a teacher that cheating is going on in the class without giving a specific name.

Reported violations of the Honor Code by Middle School Students are handled by the Head of Middle School and the Dean of Middle School except as otherwise noted in this Handbook.

ANY QUESTION OF INTERPRETATION OF THIS HONOR SYSTEM SHALL BE DIRECTED TO THE HEAD OF MIDDLE SCHOOL. ATTENDANCE AT PORTER-GAUD INDICATES WILLINGNESS TO COMPLY WITH THE HONOR CODE.

ACADEMIC EXPECTATIONS

Materials used in all courses at Porter-Gaud School are on or above grade level beginning in First Grade. Each student is expected to complete classroom and homework assignments in a timely manner and to maintain an acceptable level of achievement. Where accommodation is requested in an effort to meet the learning needs of a student and the School has on file a current and appropriate educational evaluation, the School is willing to consider and make such reasonable modification of policies, practices, and procedures as would not fundamentally alter the nature of the academic program provided by Porter-Gaud School or present an undue burden. Such modifications may be provided by the Learning Services Department and the learning specialists. Students are, however, required to take and successfully complete specific courses in order to graduate. Given the above, if the School determines it cannot successfully meet the needs of any student or recognizes that Porter-Gaud School is not the appropriate educational situation for the student, it may recommend or require placement elsewhere.

### Test Days

In order to avoid an overload of tests on a student in one day, a test calendar has been established by grades for all departments. Tests will be posted on each teacher’s individual website as the tests are set. A student should have no more than 2 major tests on one day.

**NOTE:** Tests scheduled on teacher websites only apply to announced tests. They do not apply to short pop quizzes, which may occur unannounced at any time. Major projects, presentations and papers will be scheduled on the test calendar. **IF A STUDENT HAS A TEST IN FINE ARTS, RELIGION, COMPUTER OR PE, IT IS POSSIBLE FOR THAT STUDENT TO HAVE 3 TESTS ON ONE DAY.**

### School Year

Parents and students receive grades at mid-term and at any other time necessary; they receive grades at the end of each term. The grading system is as follows:

- **95-100** truly outstanding
- **90-94** excellent
- **85-89** very good

Report Cards

Mid-term and semester report cards are posted in NetClassroom.

Honor Roll and Faculty List

Middle School students having an overall average of 93 or above with no grade under 88 earn Honor Roll. Students having an overall average of 90 or above with no grade lower than 85 earn Faculty List. Honor Roll and Faculty List are compiled using all academic courses, although a student may not fail any non-academic course. Students are notified of Honor Roll and Faculty List on their report cards.

Middle School Clark Scholars

Eighth grade students with the following requirements qualify as Middle School Clark Scholars:

- Academic: At the end of a student's first semester of eighth grade, he/she must have an overall average of 93 or above with no grade under 90 for three consecutive semesters.
- Student life: Students must participate in at least one of the following Porter-Gaud extra-curricular activities: clubs, organizations, fine arts, or athletics.
- Community Service: Students must complete 15 hours of community service during their eighth grade year. Students will be required to submit signed service hour forms by March 1, 2015.
- Student Character: A student must be in compliance with the policies in the student handbook and cannot have honor violations, suspensions, or administrative detentions during his/her eighth grade year.

Exams

There are no exams at the end of semesters for 5th grade.

For 6th grade students, each semester exam counts as 5% of a student's yearly average. For 7th and 8th grade students, each semester exam counts as 10% of the yearly average.

Exam Information

Exams may not be rescheduled without the Head of Middle School first approving. A student's parent/guardian should notify the Office by the beginning of an exam period of an absence due to illness or emergency. Otherwise, the absence is recorded as unexcused; the exam grade is recorded as “0”; no makeup exam is scheduled. For approved absences, the Office issues a permission slip with an explanation of circumstances to be circulated to the involved faculty members for their approval.

Dress Code regulations during exams will be normal Porter-Gaud dress. Students have no tests the day prior to exams. All P-G library books should be returned and fines paid before exams. Grades are withheld until fines are paid and all texts are returned in usable conditions. Examination grades, project grades, semester averages, and end of year grades are not given to students until the last exam of that semester has been administered.

Middle School Policy For Summer Classes

Summer work is offered and may be required for students who earn a grade below 70 in any subject. If the student attends summer work and passes the summer course work, the grade is raised to 70. In order to be promoted to the next grade level, no more than 2 failures may be made up by summer work. Additionally, multiple grades in the 60-69 range may result in rescinding enrollment for the following year. Any student earning a grade below 70 in Algebra will be required to repeat the course. Any students earning between a 70 and a 75 in Algebra will be recommended to repeat the course.
If the tutor for summer work is a Porter-Gaud teacher, it must be a teacher other than the original course instructor unless the Head of Middle School, the Department Chair, and the parents approve the original course instructor providing tutoring. The Head of Middle School and the Department Chair’s approval of the final arrangements must be given before implementation is authorized. In addition, the student’s tutoring should be completed by July 31 and the student must earn a grade of 70 on a department approved exam. If the student does not pass the examination, he or she is to have 3 more hours of tutoring and sit for another exam.

If summer tutoring is with a Porter-Gaud teacher, it is expected to take place at Porter-Gaud school during normal summer hours. The rate of pay for a faculty tutor ranges from $35.00 per hour upward, which is paid to Porter-Gaud school, and not directly to the tutor.

**Academic Status**

A student’s academic status is determined at the end of each quarter.

**Academic Warning**  A student whose grades at the end of a quarter include one grade between 60 and 69 in an academic subject, or who is in serious academic jeopardy (as determined by the Middle School Head in consultation with students’ advisor) is placed on Academic Warning. The students’ progress will be reviewed after four weeks of the following marking period.

- Parents of the student are notified.
- The student meets with his/her advisor and the Middle School Head or Dean to discuss strategies necessary for improved performance. Academic Warning is reviewed, and appropriate adjustments may be made at the end of the quarter.

**Academic Probation**  A student whose grades at the end of a quarter include two grades of 69 or below, or one failing grade of 50/55 in an academic subject, or who is in serious academic jeopardy (as determined by the Middle School Head in consultation with students’ advisor) is placed on Academic Probation.

- The student may be assigned to study hall at community life
- The student’s advisor and the Middle School Head meet with the student and his/her parents to discuss strategies necessary for improved academic performance. The student’s performance will be reviewed at specified intervals in order to best support the student’s efforts to improve.
- Students on Academic Probation risk not being permitted to practice or play with interscholastic teams, may be required to resign any positions in clubs and organizations, and withdraw from major extracurricular activities. Exceptions may be considered by the Dean and Middle School Head in extraordinary circumstances.

**Extra Help**

Parents and students who are considering tutoring during the school year should first make sure that they are making full use of extra-help provided by teachers. Teachers are available for extra-help in the Middle School daily from 3:15 until 3:45. Individual teachers should provide students with their schedules for Extra Help.

**PORTER-GAUD SCHOOL CHALLENGED MATERIALS PROCEDURE**

If a member of the Porter-Gaud Community would like to challenge the placement of a book or other item in the school library collections or academic curriculum, he or she should follow this procedure:

1. Person(s) challenging the material should submit their request for reconsideration to the appropriate Division Head (US, MS, LS) by completing the Request for Reconsideration Form (Appendix A) available in the student handbook.
2. The material in question along with the completed form will be submitted to a committee comprised of the Division Head, Academic Dean, Librarian, appropriate Department Chair and faculty member, Chaplain, and others as deemed appropriate by the committee for review. The committee will examine the
material in light of both the principles of intellectual freedom and the school’s mission statement, keeping in mind instructional goals when considering course materials.

3. The committee will share its decision with the Head of School.
4. A response in writing will be emailed to the person(s) submitting the complaint as soon as possible and not to exceed 30 days.
5. The appropriate faculty member and Department Chair will consider alternate materials and assignments for the student during the review period.

**LIFE 101**

LIFE 101 is the middle school's component of the larger school wide Student Wellness Program. The Porter-Gaud Student Wellness Program is driven by the school’s core values of WATCH; Words, Actions, Thoughts, Character and Habits. Wellness is an active, ongoing process which involves becoming aware of and taking steps toward a healthier, happier, more successful life.

This program empowers students across all three divisions to acquire, integrate, and practice vital skills related to health and wellness in order to promote social growth and self-awareness. It’s focused on three specific areas which include; spiritual life, social and emotional learning, inclusion and diversity, and leadership.

LIFE 101 delivers student wellness through a curriculum of mini-courses, workshops, classroom lessons, speaker series, assemblies, presentations, and our school rituals and traditions.

Students in LIFE 101 may participate in any or all of the following:

- Study Skills & Time Management
- Health & Nutrition
- Teamwork
- Creativity
- Resiliency and GRIT
- Digital Citizenship & Online Safety
- Ethics
- Conflict Resolution
- Mindfulness
- Life Purpose
- Personality Testing
- Boys & Girls Leadership

As an additional component of LIFE 101, assemblies and advisory reinforce the topics listed above. A team of Porter-Gaud faculty and staff, including Learning Services, Physical Education, Technology/Computer Science, the Chaplain, MS/US Administration, design and implement the programming. We also draw from professionals in our community to enhance this important curriculum. Throughout the year we offer Parent LIFE 101; these evening sessions mirror the student programming and invite families to delve into conversations around these topics.

**WINTERIM**

The Porter-Gaud Middle School WINTERIM program is a series of experiences and trips to introduce students to enrichment activities and topics and culture outside of the standard curriculum. WINTERIM allows our students to choose their course of study and discover new talents and passions. This experiential learning creates students who are invested in discovering the world around them. Whether it’s in our local community or abroad, WINTERIM is invaluable to the social and emotional development of our students. The student code of conduct will apply during all WINTERIM experiences. WINTERIM program opportunities will be presented in the second week of school. Please note: some WINTERIM experiences have a cost associated.
DAILY PROCEDURES
GENERAL BEHAVIOR EXPECTATIONS

Porter-Gaud has a high standard for student behavior. A Porter-Gaud student is courteous and polite and treats others with dignity and respect. All rules apply at all times when the student is on campus and/or otherwise representing the School. While each student’s actions in his/her daily life reflect in some measure on the School, the School cannot be responsible for the consequences of behavior off campus related to social and non-school activities. To the extent, however, non-school related and/or social activity of a student impacts negatively on Porter-Gaud School, the School reserves the right to take such steps as it deems appropriate up to and including the power to dismiss or remove from enrollment, at any time.

BEHAVIORAL EXPECTATIONS

RESPECT FOR INDIVIDUALS

- Students are expected to conduct themselves in a respectful and orderly manner to all adults and students.
- Students are not to use obscene, profane, or intimidating written or verbal language.
- Harassment, including teasing, “put-downs,” and sexual harassment, is inappropriate.
- Conduct at all school-sanctioned events (athletic and academic) should reflect positively on the school.

RESPECT FOR PROPERTY

- Students should dispose of all trash in appropriate containers.
- Students are not to damage or abuse any school property or personal property of others.
- Chewing gum is not allowed on campus.
- Food and drinks are only allowed outside or in the cafeteria or other eating areas.

RESPECT FOR HONOR

- The Porter-Gaud Honor Code is in effect at all times.
- Activities which violate this Honor Code include but are not limited to:
  - taking books or any other material from another person’s locker
  - copying homework
  - revealing information about a test to someone who has not yet taken the test
  - misleading anyone about any school business

RESPECT FOR LAW

- The possession of firearms, explosives, or any weapon is prohibited on campus at any time.
- The possession or use, as well as being under the influence of alcohol, illegal drugs, or narcotics is strictly prohibited on campus or at any school-sanctioned event.

DISCIPLINARY PROCEDURES

Discipline is considered a part of the growth process and basic to the development of character. Students should understand the need for rules, the part they play in maintaining order, and the necessity of observing rules. The responsibility for implementing the behavior expectations in Middle School has been delegated to the Middle School teachers, staff members, the Dean of Middle School, and Head of Middle School.

Teachers assign classroom detentions for infractions of classroom procedures. If these teacher detentions do not prove effective in producing desirable results, the teacher should request a conference involving the student’s advisor, parents, the teacher, and the Head of Middle School.

Advisors distribute notification of Administrative Detentions. These notices require a parent signature and are expected to be returned to the Middle School Dean.
The following are procedures to help students grow in self-discipline and personal conduct. These are possibilities of punishments, and do not have to occur in any particular order, depending upon the seriousness of the behavior. Some consequences may be combined as one punishment.

POSSIBLE CONSEQUENCES

- Verbal Warning
- Detention served for a classroom teacher or an Administrative Detention with the Dean of Middle School. Classroom detention is served at the discretion of the teacher. Administrative detention is served throughout the day combining community life and recess, as well as potentially after school from 3:15 – 3:45. NOTE: A warning does not have to precede a detention. Lateness to detention or failure to report for a detention leads to a student serving two consecutive detentions. A missed detention because of an excused absence is made up the next scheduled detention day. Excessive detentions may lead to re-enrollment being withheld for the next school year, suspension, or expulsion from school.
- Restorative Justice- based on the violations of the students that prompt an administrative detention, a student may also receive a reflective assignment and or restorative objective if a relationship between student and teacher, or student and student was damaged. These reflective assignments are intended to correct behavior through reflection and action.
- Mandatory Parent/Head of Middle School/Dean /Teacher Conference to discuss behavior problems and consequences if a student’s pattern of behavior is not changed.
- Suspension & Expulsions are detailed in the Disciplinary Consequences on the following page.

EXAMPLES OF INFRACTIONS:

- failing to turn in homework
- classroom disturbance
- inattention in class
- failing to return work or forms with requested parent signature
- tardy (4 times to school per quarter)
- chewing gum- automatic detention
- taking books, notebooks, or food to assembly or chapel
- dress code violations- automatic detention
- entering “off-limits” areas
- inappropriate behavior in chapel or assembly
- lingering outside classrooms during class periods
- assembly or class cut, including required extra help attendance
- bullying, harassing, verbal or physical abuse
- inappropriate language, spoken or written
- defacing property of others
- throwing any objects (e.g. pine cones, sticks, stones)
- bringing weapons (or any facsimile), pocket knives, matches, or lighters on campus
- threats or acts of violence
- violation of Porter-Gaud School’s Alcohol, Cigarettes and Illegal Drugs policy, Harassment/Abuse policy and/or Violent Behavior/Threats policy
- computer technologies/ cell phone/ device code violation
- violation of Athlete’s Code
- violation of the Honor System
- violation of any other academic or behavioral expectation or policy
- actions within or outside the School’s curriculum that impact negatively on Porter-Gaud School

## Suspension

Suspension is assigned for major violations of School rules. A student whose actions result in suspension has violated the trust of the School community and is consequently separated from the community, serving the suspension out of school. Students who miss School work because of suspensions are expected to make up that work as soon as possible at a time convenient for their teachers (students should be in contact with their teachers in the case of a multi-day suspension.) Students will receive a one point deduction in each class during the marking period when the suspension occurs. An exception is a major cumulative project (such as a semester paper), which qualifies for full credit if submitted on the date due. Students should also expect additional consequences from extracurricular organizations.

Students suspended from school will not be readmitted to school until an administrative conference is held with the student and parents. All work missed while suspended must be made up. A student has as many days as he/she was suspended in order to complete make-up work. During the period of suspension, the student may not be on campus, may not attend classes, off-campus school activities and on or off-campus athletic practices or games.

*2017-18*
Disciplinary Warning
Disciplinary Warning is designed to inform the student and his/her parents that a student appears to be making decisions which are leading the student in a direction which is opposed to the School's mission and which are of concern to the faculty. The student and parents are notified and invited to a meeting with the Dean and the Middle School Head to discuss those concerns. Any disciplinary penalty accompanying Disciplinary Warning is at the discretion of the Dean or the Middle School Head. Warning status is temporary, and the student's behavior and progress are reviewed by the Dean or the Middle School Head regularly for improvement. Failure to improve behavior can lead to probationary status.

Disciplinary Probation
Disciplinary Probation is the means whereby the student, parent, teachers, Dean and the Middle School Head are all advised that a serious behavior problem has developed -- one that bears scrutiny on a day-by-day basis. A student is assigned Probation by the Middle School Head, usually after consultation with the faculty and/or administration. The details and duration of the Probation are explained in conference with the student and parents and in a letter. A student on Probation must return to good standing or face withdrawal from the School. Probation may be assigned at any time for a portion of a semester, a semester, an entire school year, or longer.

Expulsion
Expulsion is the final and most serious disciplinary consequence, and may be applied to the most serious or chronic violations of School rules and expectations. Depending upon the nature of the offense and the severity of the consequences, a report of a serious disciplinary incident may go in a student's permanent file.

Head of School’s Committee of Review
The Committee of Review serves as an advisory group to consider cases involving a student’s potential expulsion. The Committee includes the Heads of the Lower, Middle and Upper Schools, the Dean, the Faculty Representative to the Head of School’s Council and the student’s faculty advisor. The appropriate division Head chairs the Committee. The Committee meets and reports to the Head of School, who makes the final decision about disciplinary consequences for the case in question.

In any case involving expulsion, the Head of School’s decision is final.

PORTER-GAUD CYBERBULLYING POLICY
Porter-Gaud School provides computers and iPads as tools to enhance our students’ education. The school’s computer network and the Internet, whether accessed on campus or off campus, during or after school hours, may not be used for the purpose of harassment of any kind. All forms of harassment over the Internet, commonly referred to as cyberbullying, are unacceptable and viewed as a violation of this policy and Porter-Gaud’s acceptable use policy and procedures.

Malicious use of Porter-Gaud’s computer system is prohibited. Users are responsible for the appropriateness of the material they transmit over the system. Hate mail, harassment, discriminatory remarks, or other associated behaviors are expressly prohibited.

Cyberbullying includes, but is not limited to the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another person by sending or posting inappropriate and/or hurtful e-mail messages, instant messages, text messages, digital pictures or images, or Website postings, including blogs. It is also recognized that the author (poster or sender) of the inappropriate material is often disguised (logged on) as someone else.

In situations in which the cyberbullying originated from a non-school computer or device, on campus or off campus, and brought to the attention of school officials, any disciplinary action shall be based upon whether the conduct is determined to be disruptive of the educational process so that it markedly interrupts or severely impedes the day-to-day operations of the school.

Disciplinary action may include: the loss of computer privileges, administrative detention, suspension, or expulsion for verified perpetrators of cyberbullying.

THIS IS NOT A CONTRACT.
2017-18
DRESS EXPECTATIONS AND GUIDELINES

Porter-Gaud School is the workplace for students, and the clothes worn by students to school, as well as grooming, should be suitable in cut, style, and material for that workplace. Any attire that distracts from or interferes with the learning process is unacceptable. The school expects Porter-Gaud students and parents to respect the school’s learning environment through appropriate dress and grooming.

The faculty, the Head of Middle School, the Dean of Middle School, and the Middle School Counselor determine what is unsuitable for the school day, and students are expected to meet appearance expectations before continuing classes. If a student is out of code in a way that cannot be corrected immediately, his or her parents are called and asked to bring a change of clothes. Until that change of clothes arrives, the student may not be allowed to attend class. Any work missed because of dress-code violations is to be made up within one school day. While the school generally seeks to correct dress-code violations immediately, the Middle School Dean may impose disciplinary consequences for violations. In addition, the Middle School maintains records of violations, and repeated dress-code violations may result in more serious consequences.

The hair style for all students should be clean, neat and well groomed. Boys may not wear hats, earrings, hair braids, pony tails, Mohawks, or other adornments. Extreme colors and styles are not acceptable for school. For boys and girls, unnatural coloration of hair is not acceptable.

Body piercing (other than ears for girls) and tattoos are not appropriate.

All school clothes are to be neat, clean, pressed (when necessary), appropriately sized, and in good repair (no holes, ragged hems, or patches).

The acceptable length of the uniform skirt is 3 inches above the top of the knee or longer.

The Dress Code remains in effect for all students on the campus between 7:30 a.m. and 3:30 p.m. The following guidelines are by no means comprehensive or all inclusive. Final judgment of acceptable attire and personal appearance is at the discretion of the School. The School reserves the right to be the final authority as to what is acceptable, even if the appearance expectation is not addressed in these guidelines.

IMPLEMENTATION

During the homeroom period each morning, the Advisor determines adherence to the Dress Code. An email is sent to the Dean, by the Advisor, with the names of any students who do not meet the dress code. Students found to be in violation of the Dress Code are expected to be in compliance before entering class or consequences may be given.

During the course of a day, students who are observed in violation of the Dress Code by faculty members are reported through an email to the Middle School Dean or to the Middle School Counselor, who deals directly with minor violations. When a student can remedy the problem immediately at school, he/she is expected to do so. On dress down days students’ attire should be appropriate in length and style. All logos and writing on clothing should be appropriate as detailed in the uniform guidelines. If the student cannot remedy the problem while at school, a parent may be called either to bring the appropriate items to school or to take the student home to change. Detentions may be given to students who are out of dress code and cannot remedy the situation immediately. Repeated violations may result in a student required to be in Chapel Dress for an entire school week.

SCHOOL PROCEDURES

1. **Start of Class Day**: All students are expected to be in homeroom by the **8:00 a.m. bell**. (A preliminary bell will ring at 7:55.)

2. **Attendance**: Since academic excellence is a top priority for Porter-Gaud, attendance must be a top priority for its faculty, students and parents. Students are expected to attend all classes, assemblies, Chapels/Jewish Life, Life 101, and other meetings during the school day and to remain unless excused by the office. Students are also expected to arrive for all classes and other appointments on time. While circumstances may mandate that a student must miss classes, every effort should be made to minimize absences. We ask that parents, our most important partners in teaching our students, schedule appointments, outside obligations, and family trips when school is not in session so that valuable class time is not missed.

3. **Excessive Absences**: Students are expected to attend all classes on a regular basis. Students may not be permitted to miss more than 16 days in the school year (excluding field trips) without jeopardizing their promotion to the next grade level. Extenuating circumstances considered by the Head of Middle School and Child Study Team in reviewing excessive class absences include but are not limited to treatment by a physician for chronic or prolonged illness and school sponsored activities that require students to miss class (e.g. sports, class trips, special assemblies or events). If such are the reasons for a student’s excessive absences and he/she has made every reasonable attempt to keep up with the class work, the student remains eligible for credit. The Child Study Team will review each student’s academic status should a student approach the 16-day absence mark. The team may recommend or require tutoring, remedial work, or may require the student to repeat their current grade level.

   *If a student accrues an excessive number of absences during the school year, a meeting is scheduled with the parents, teacher, and Head of Middle School to determine to develop a plan to improve attendance.*

4. **Lateness**: All who arrive late are expected to sign in at the Middle School Office before going to class. The office issues a late slip that should be signed by each missed teacher and returned to the student’s advisor. Medical appointments and sickness are valid excuses if a doctor’s appointment note or a parental note comes in with the student.

   a. Middle School students are assigned an Administrative Detention after **4 unexcused tardies** in a given quarter.

   b. After **8 tardies** for any reason in a term, a parent/Dean/Advisor conference is held to discuss a plan to prevent tardiness.
5. **Absences**: An excused absence is one due to illness, a death in the family, family emergency, graduation or wedding of family members, medical appointment, school sports event, or school trip.
   a. Middle School students are responsible for checking the class website, or contacting a friend to collect assignments.
   b. Books may be picked up from the student’s locker by a parent or friend.
   c. When a Middle School student has an excused absence of two or more days, it is the student’s responsibility to arrange a schedule for completing missed work.
   d. Unless prevented by illness, students should return to class prepared. Students whose illnesses are severe enough to prevent them from studying should consult with their teachers upon their return to school, arranging to complete the work they have missed.
   e. Students missing a test because of illness should make it up within two class days of returning to school. It is the student’s responsibility to arrange this with the instructor. In case of a prolonged illness, see the Head of Middle School for special arrangements.
   f. Students missing class because of team or other school sponsored activities are responsible for making up all missed work.

   **Returning After An Absence**: A student returning to school after an absence is expected to check in at the Middle School Office before the start of classes with a note signed by the parents for the absence. The student then is expected to show the note to each of his/her teachers whose class was missed. The student is notified of missed assignments and deadlines established for making up the work. This information should be written by student in the Student’s daily assignment book for each class.

6. **Planned Absences**: In order for an anticipated absence to be considered an excused absence, parents should make arrangements with the Head of Middle School at least two days in advance of the absence according to the following procedure:
   a. Present note to Head of Middle School’s Office for approval before school begins; the Head of Middle School attaches the note to a PLANNED ABSENCE FORM (Appendix “A”).
   b. Present approved note and Planned Absence Form to instructors for signature, at which time student should obtain assignments for work to be missed. Serious reservations noted by the faculty are passed on to parents.
   c. Return signed note to the office before leaving school.

   Vacation dates and exam schedules are published and sent home during the summer so that parents can make vacation plans which do not require students to change or miss classes or exams. Missed work should be made up at the instructor’s convenience prior to departing or within two class days of returning. Lengthy absences require consultation with teachers to establish a plan for makeup work.

   Parents should be aware that it is impossible for a teacher to reteach all missed material at extra help, and no amount of extra help can replace the interaction that occurs in a classroom setting. Students who miss class time are also in a position of having to double up on the amount of work when they return.

7. **Illness During the School Day**:  
   a. A student who becomes ill is expected to check in at the Middle School office where the office administrator or nurse places a call home. The student may not leave until a parent or guardian gives permission.
   b. The student then should sign out at the MIDDLE SCHOOL office.  
   **THE HEAD OF MIDDLE SCHOOL OR ADMINISTRATIVE STAFF ARE THE ONLY ONES WHO MAY GIVE STUDENTS PERMISSION TO LEAVE CAMPUS.**

8. **Departure Before the End of the School Day**: In order for a student to be allowed to leave school before the end of the day, the student is expected to:
   a. Present a parent’s note to the MIDDLE SCHOOL office for approval upon arriving at school;

**THIS IS NOT A CONTRACT.**  
2017-18
b. Have instructors whose classes will be missed initial approved note and obtain assignments BEFORE LEAVING SCHOOL.
c. Present approved note and sign out on the Daily Log in the MIDDLE SCHOOL OFFICE when leaving campus; and
d. Sign back in on the Daily Log in the MIDDLE SCHOOL OFFICE if returning before the end of the school day.

ONLY HEAD OF MIDDLE SCHOOLS OR ADMINISTRATIVE STAFF MAY GIVE A STUDENT PERMISSION TO LEAVE CAMPUS.

9. **School Property:** Students are responsible for the return and safekeeping of all school property (books, uniforms, etc.) issued to them. Grades are withheld until materials are returned or fines paid for abuse to school items.

10. **Posters and Bulletin Boards:** All posters or advertisements are to be approved by the office before being displayed anywhere on campus.

11. **Lunchtime Procedures:**

a. All students should report to the cafeteria at the beginning of the lunch period. Students will remain in the cafeteria for at least 20 minutes from the beginning of lunch and will then be dismissed for recess by administration. Self-dismissal will be earned throughout the year by grade.

b. Students should not interrupt faculty members while dining.

c. Off-limits areas during lunch/Recess are Maintenance Yard, Newton Courtyard, Gwynette Auditorium, the fine Arts Building, the breezeways, the Library, and Tyler Hall UNLESS weather prohibits our ability to be outside.

12. **Off-Limits Areas:** Off limits (unless accompanied by or with the permission of faculty or staff) are the Lower School, the Lower School playground, any marsh area, faculty and administrative offices and residences, the student parking lots, the faculty lounge, the roofs of buildings and walkways, other students’ lockers, Gwynette Auditorium, and the Maintenance Yard.

13. **Study Hall Protocol:** Study hall contributes to Porter-Gaud’s educational program by providing a sanctuary for concentrated focus on academic work. Students maintain quiet and order so that all members of the study hall can work undisturbed.

a. All members of the study hall come prepared to work: no one will be released to a locker after the bell has rung. Supervisors require that study hall members be working on school tasks.

b. Students are expected to work on their own. Study hall is not a time for collaborative study or group projects.

c. Students may be excused for extra help with a teacher. The student should be given a pass by the extra help teacher before the start of study hall. This pass should be presented to the study hall teacher and signed before going for extra help. Students should return to study hall when finished with the extra help session prior to the bell ringing.

14. **Library Expectations:** Because the library is a place for reading and concentration, students should remain quiet at all times. Talking, group discussion, and group study, which require talking, are all strictly controlled. The librarian maintains an atmosphere of quiet by dismissing anybody not using the library for study. The Head of Middle School is notified if a student is dismissed from the library. The library is open until 4:00 p.m.

15. **Chapel:** Chapels and assemblies are scheduled throughout the year. Students are expected to show proper behavior in chapels and assemblies and to show respect for all participants in the program. Students showing improper behavior are asked to leave and are disciplined accordingly. **Students are not to take notes, books, notebooks, food or drink to Chapel services or assemblies. Students must sit in their assigned rows during Chapel.**
16. **Porter-Gaud Students on Campus After School Hours:** For students’ protection as well as that of the School, students are not to be on campus after regular school hours except for specifically scheduled school events under adult supervision; this particularly includes nights and weekends. The campus is electronically protected and buildings may not be entered after 5:00 p.m.

17. **Parents of Middle School students should make arrangements to have them picked up as soon as possible after the end of their school day.** If students are not attending extra help, team practices, working in the library or computer lab, or participating in an extracurricular activity, they should be picked up at 3:15. After the car pool lines disperse, students are not allowed to freely roam the campus.

   a. **Cyclone Club:** Porter-Gaud offers a Cyclone Club Extended Day Program for students in grades 5-8. This service is available Monday through Friday 3:15-5:45 p.m. when school is in session for a full day. Pre-registration is necessary to participate. For further information, call Cory Coleman, Director at 402-4679.
   b. Parents should also arrange for pick-up of students in a timely manner from school-sponsored trips, dances, and other after-hours activities. Expected times of return are furnished to parents before these events, and parents should arrive at school at the anticipated time rather than having the student call for pick-up after getting back to Porter-Gaud.

18. **Guests on Campus or Student Visitors:** State law prohibits students not enrolled in the school from being on the campus of any school during the class day without the expressed permission of the Head of Middle School. Arrangements are to be made with the Head of Middle School before an invitation is issued to a guest student. A guest may accompany a parent on campus for middle school assemblies or to attend a school program to which parents are invited. All parents and their guests must check in at the Upper School office before entering campus where they will receive a visor’s badge to wear while on campus. All guests must be accompanied by their host parents at all times while on campus.

19. **Communicating with Students and Teachers:**

   a. **DURING SCHOOL HOURS:** Students and teachers cannot normally be contacted directly by phone during the school day. If an urgent message cannot await the return home of a student, a phone message may be left at the office. Faculty members and administrators may be called directly; if they are not available, a voice mail message may be left. Also a message may be sent via e-mail; faculty, administrator, and office phone numbers and e-mail addresses are listed in the School Directory. Teachers and administrators will respond to parent communications within a 24-hour timeframe. Urgent messages ought to be left (in person or via phone) in the appropriate office.
   b. **AFTER SCHOOL HOURS:** Messages for faculty members and administrators may be left by telephone, voice mail or e-mail.
   c. **COMMUNICATION WITH NON-CUSTODIAL PARENT (in cases of divorce or separation):**
      i. Porter-Gaud’s first obligation is to its students. Regardless of the relationship of parents to each other, we believe that a healthy partnership among the school and both parents is in the students’ best interest. In cases of separation or divorce, we continue to communicate with both parents unless we are presented with a court order barring one parent from associating with his or her child. This means that both parents will receive report cards, interim reports, and general mailings, regardless of who is paying the bills. Each parent is granted access to the child(ren), to teachers, and to administrators. Such access is provided without notification to other parties. It is the responsibility of each parent to make sure the school has his or her current address, phone numbers, and email addresses. It is the parents’ responsibility to provide to the Headmaster’s office all records of court decisions, and up-to-date contact information. Given the unique legal situation of each family, the school may make exceptions to this policy (e.g. to comply with a court order).
      ii. When an important issue necessitates short notice, we will attempt to reach both parents. The school wishes to stay out of marital conflicts and settlements; we ask parents not to pull teachers or administrators into the middle of such disputes.
      iii. Some situations warrant calling or writing the custodial parent only. They include – but are not limited to – calls that a child is sick, routine classroom matters (field trips, homework
assignments, special dress requirements, etc.), and special requests. We will use our judgment about which kinds of issues both parents want and need to know.

20. **Books in Lockers:** Students should not leave books on the hallway floors where they can be a hazard to passage; books left on the floor may be retrieved from the office. In Tyler Hall and in the S&T Building, bookbags are to be hung rather than left on the floor. **Students are reminded that it is an Honor code violation to remove books or any other items from another person’s locker for any reason.**

21. **Skateboards and Bicycles:** For reasons of safety for the riders and for the other students and pedestrians, skateboards, scooters, roller blades, and roller shoes are prohibited on campus. Students riding bicycles to school are to walk them once they are on the main campus and when in a crosswalk. All roadway crossings should be made at designated areas as identified by the crosswalk locations. At no time, should bicycles be ridden inside the stadium complex or on any athletic field. When stored, bicycles should be placed in one of the bicycle racks located around the campus. At no time, should bicycles be chained or locked to fences, trees, sign posts, light poles, or other structure except for a bicycle storage rack.

22. **Cell Phone/ Device Policy:** Cell Phones have become a common device in today’s culture. While we respect the carrying of cell phones to and from school, their use is strictly prohibited and can only be used before 8:00am and after 3:15 pm unless special, pre-approved, provisions have been granted.

   a. To protect the safety of our students and to provide support to their focus on academics, cell phones will be turned in to Advisors in homeroom each morning at 8:00am and retrieved at the end of the day at 3:15pm. Violations to this rule will involve disciplinary consequences. We understand that at times students need to get in touch with parents, and vice versa. In these situations, it is appropriate to call to and from the Middle School office in the S&T Building. Ms. Smith, the Middle School Administrative Assistant can locate your child, and also allow your child to use the school phones.

23. **Late Arrival or Early Dismissal:** In the event of a late arrival or an early dismissal, students are required to turn their phone in to Ms. Smith in the Middle School Office. This allows for phones to be turned in and retrieved with disrupting classrooms.

24. **Vending Machines/Food Delivery:**

   a. Students may not order food to be delivered to the campus. A Faculty member in charge of a school organization may order food for that organization.

   b. Vending machines are not to be rocked or shaken to get snacks. Porter-Gaud is not responsible for any lost money in the vending machines. Any lost monies in vending machines must be addressed with the company contact information on the vending machines for refund considerations.

25. **Porter-Gaud Food Allergy Guidelines:** Porter-Gaud is committed to providing an inclusive and safe school environment for all students. The goal of these guidelines is to establish a framework for the health and wellness of students with food allergies in the school setting through prevention, education, and appropriate response to emergencies. We seek to provide and maintain allergy-awareness, create reasonable accommodations, allow for personal student advocacy, provide safe, nutritional support to all students, and establish a supportive and compassionate community.

   Given the number of allergens, as well as the differing levels of risk relating to each student’s allergic reaction, we need to make clear Porter Gaud cannot and does not guarantee an allergen-free environment. In addition, we cannot make any guarantee that food or other items coming into the school contains no allergens or were not processed in a facility that produces food containing the allergens. Although, we cannot anticipate every possible scenario, we will follow all medication and emergency plans as provided to the school and we will continue to keep outside food to a minimum. With education and proper planning, we strive to reasonably accommodate our students’ needs. If you have any questions relating to these guidelines, please contact the School Nurse or division deans.

**Parent Responsibilities:**
Provide written Food Allergy Action Plan signed by the student’s physician (The Food Allergy & Anaphylaxis Emergency Care Plan will serve as the guide for treating anaphylaxis).

Food Allergy Action Plans must be received by the first day of school for your student to attend classes.

Provide emergency contact information via Porter-Gaud School system.

Provide all necessary medication to treat a child’s reaction and replace medications after use or upon expiration. Clearly label with the child’s name. Medication to be kept at school should be dropped off before the first day.

Contact the School Nurse to discuss your child’s allergies and develop a plan that accommodates needs in school.

Educate the child, as developmentally appropriate in the self-management of their food allergy including:
- safe and unsafe food
- strategies for avoiding exposure to unsafe food
- symptoms of allergic reaction
- how and when to tell an adult they may be having an allergy-related problem
- not trading or sharing food with others
- how to read food labels

Review guidelines with the school staff, the child’s physician, and the child (if developmentally appropriate) after a reaction has occurred.

Collect any unused emergency medication kept in the Health Office within one week of the end of the school year.

Ensure student, if in the Upper or Middle School divisions, carry their emergency medication on them at all times, including school trips and athletic events/practices.

**Student’s Responsibilities (Developmentally appropriate):**
- Should not trade or share food with others.
- Should not eat anything with unknown ingredients or known to contain any allergen.
- Should be proactive in the care and management of their food allergies and reactions based on their developmental level.
- Should notify an adult immediately if she or he eats something that may have exposed him or her to an allergen.
- Wash hands before and after ingesting food.
- Upper and Middle School students are required to have access to their prescribed emergency medication on campus at all times. If emergency medication occurs, please notify the School Nurse or Athletic Trainer (during a sporting event immediately).
- Students are not allowed to eat in school buildings and classrooms, except for approved medical reasons and parties.
EMERGENCY PROCEDURES

Emergency Cancellation Of School

In case of bad weather or emergency conditions, turn to TV Channels 2, 4, 5 or tune in local radio stations for an official announcement about the closing of Porter-Gaud. The automated voice message service is also used whenever possible. Please do not call the office, the Head of School, the Head of Middle School, or the faculty at their homes. Leave School phone lines free for emergency use. The most up-to-date information will be posted on the P-G website at its Homepage. The School also uses its automatic “Telephony” system, “Blast E-mail” system, or telephone chain to notify families of any emergency closing or delayed openings.

Emergency Drills

Periodically, the School may have drills to practice emergency procedures. These include earthquake, fire, lockdown, and tornado drills. To make the drill as effective as possible, all drills emulate the actual procedures with minimal simulations. However, the School will give prior notice of a lockdown drill to students, parents, and faculty so that everyone knows that a drill is occurring and can be assured that the campus remains safe. Lockdown drill procedures are detailed in the Faculty/Staff Handbook.

Crisis Management Plan

These guidelines are meant to provide a quick reference in the event of an emergency.

FIRE: The fire alarm is the sound of a loud horn and strobe lights. Should electricity be out and the school phone system not working, the school uses any available means of communication. Evacuation Procedures: With the sounding of the fire alarm, those students closest to the windows are to close the windows and the class is to file out in a quiet, orderly fashion following the evacuation plan posted in each classroom. The first students to reach the building’s outer doors are to stay and hold them until the classes have filed out. Once outside in the safety zones (at least 500 ft from the building), students are to line up by class, and the faculty members account for all of their class members. From the sounding of the alarm until the end of the drill or emergency, absolute silence is to be maintained so emergency instructions can be heard and attendance can be taken.

IN CASE OF FIRE, REMEMBER:

A. The fire alarm is the sound of a loud horn with strobe lights.
B. Evacuate building (automatic if fire alarm sounds).
C. Convey specific information you may have about the fire to your teacher.

TORNADO: A tornado warning indicates a tornado has been sighted. The tornado warning is a long intermittent ringing of the school bell system. All students, faculty and staff should move to what are designated “best available shelter” areas – interior corridors (but away from glass doors), storage rooms, and interior bathrooms. Be seated with your back to the corridor walls or glass area. Any available wraps should be used to cover head, arms, and legs. People in classrooms 13-15 should proceed to the Library hallway or Upper School corridors. The main floor areas of the gym, auditorium, and Washington Hall are not considered safe shelter areas, and students should move to interior walls of locker rooms and the storage rooms. People on both floors of the Fine Arts Building are to move to the interior offices and practice rooms.

FOR TORNADOS, REMEMBER:

A. The warning is a long intermittent ringing of the school bell system.
B. Move to best available shelter.
C. Be seated with back to corridor walls or glass area.

D. Stay in place until all clear is sounded.

**EARTHQUAKE**: An earthquake warning is a long, continuous ringing of the school bell system. First, everyone should take cover under a table or a desk. Hold on to the legs of the table and move with it as it moves (Drop and cover; turn away from windows, stay under shelter until shaking stops; listen for instructions). After movement stops, evacuate the building by following fire drill procedures. Move to an open space, away from buildings or power lines. If an aftershock occurs, lie down or crouch low to the ground. If the earthquake catches you in a building or room in which there is no cover, move to an interior wall, away from windows, kneel and cover head with hands next to wall. After movement stops, follow fire drill evacuation plan.

**FOR EARTHQUAKES, REMEMBER:**

A. The earthquake warning is a long continuous ringing of the school bell system.

B. Duck, cover and hold.

C. After earthquake stops, faculty will assess injuries and damage to buildings and report that information to the appropriate school office.

D. If building damaged, evacuate building following evacuation procedures outlined in the Fire section.

**ALL CLEAR**: When it is safe to return to classrooms, a verbal clearance is given, or one three second ring of the school bell.

**OTHER EMERGENCIES**: Other emergencies are signaled by three short rings of the school bell system. Classroom doors should be opened for announcements.
EXTRA CURRICULAR ACTIVITIES/PRIVILEGES
EXTRACURRICULAR ELIGIBILITY

To maintain extracurricular eligibility, Porter-Gaud School expects a student to adhere to the South Carolina Independent School Association’s Student Eligibility Rules. Rules stated as follows:

**Academic Requirements:**

Students below the 9th grade must pass four (4) subjects each grading period/semester.

Any student who did not receive credit for at least 50% (one-half) of all courses taken the previous school year cannot be declared eligible for athletic participation until the successful completion of the first semester.

A student who is academically ineligible to participate is also prohibited from practicing with the team until the time be/she is academically eligible to participate.

Any student with multiple grades in the 60-69 range may be suspended from athletic participation at the discretion of the teacher, department chair, and administration.

ATHLETICS AND PHYSICAL EDUCATION

Middle School students have a wide variety of opportunities to participate in sports, both on the intramural and competitive levels. (See Extracurricular Eligibility above regarding requirements for competitive participation.)

Sports in which Middle School students participate include:

- Football
- Volleyball
- Cross Country
- Tennis
- Basketball
- Soccer
- Track and Field
- Golf
- Swimming (SCISAA events)
- Baseball

All students are expected to know the SCISA conference rules concerning behavior at athletic contests. All athletes are expected to be thoroughly familiar with the Porter-Gaud School Athletic Code printed in this handbook.
SCISA CODE OF CONDUCT

Section I: Athletes, coaches, and fans shall at all times conduct themselves in a reasonable and sportsmanlike manner, reflecting full and true credit to the school they represent.

Section II: An athlete, coach, or fan will be in violation of Section I upon any one or more of the following:

A. By making any degrading remark about any official, coach, or athlete during or after a game, either on or off the field/floor of play.

B. By arguing with an official(s) or going through motions indicating dislike/disdain for a decision.

C. By making any degrading remarks or criticism of any official, coach, athlete, or school to any news media.

D. By using any foul, abusive, or profane language at any time.

E. By hitting, shoving, or striking any official, coach, athlete, or fan at any time (or attempting to do so).

H. By detaining an official following the contest to request a ruling or explanation of actions taken by the official.

Ejection of Players and Coaches – The penalty for a disqualification of a player or coach is:

First Offense: a Fine up to $100* and an Official Warning. If the disqualification is for unsportsmanlike conduct, it will also carry a one-game suspension.

Second Offense: a Fine up to $200* and suspension until an appearance before the Athletic Committee.

Third Offense: Termination of Athletic Eligibility/Coaching Privilege. These offenses are cumulative over the student’s career. Disqualification of a coach will be considered on a case-by-case basis.

Any student or coach receiving a fine will be responsible for payment of same. The School will not pay fines for either students or coaches.
PORTER-GAUD SCHOOL ATHLETES’ CODE

1. The use of alcoholic beverages, unprescribed drugs, narcotics, or tobacco is strictly forbidden. On campus use may result in expulsion. Any athlete who is seen by a member of the staff using alcoholic beverages, unprescribed drugs, narcotics, or tobacco off campus may be dropped from the team for that season.

2. Each team member is responsible for notifying the coach in advance if a practice or a game is to be missed, except when the student has been absent from school all day. Illness, unavoidable doctor’s appointment, family emergency, and wedding in the immediate family are the valid excuses for missing games or practices.

3. If a student is not present at least the four last class periods of the school day (i.e., the student signs in no later than 11:00 a.m. and attends all scheduled classes through the end of the school day), he or she may not participate in that day’s practice or game. Lateness due to college interviews and physicals is an exception.

4. To maintain extracurricular eligibility, Porter-Gaud School expects a player to be passing for the year and for the previous term all academic courses with the exception of one course, which must not have a grade, lower than 65. If highly unusual circumstances exist, a student with a single term or cumulative grade of 60-64 may request a review and waiver from a committee of Department Chair, Head of School, Head of Middle School, and coach or activity sponsor.

5. All athletes should display high standards of social behavior off the field and high standards of sportsmanship on the field, particularly in respecting other athletes, cheerleaders, officials, spectators, and those in authority.

6. All athletes should be cooperative with their coaches, teachers, and peers, maintain a good appearance, and use language that reflects well upon themselves, family and school.

7. Team captains shall use their leadership ability and influence to assist in the enforcement of these rules.

8. Final responsibility for the interpretation and enforcement of these rules rests with the head coach, the Athletic Director, and his/her staff.

9. The Head of Middle School normally is advised of any abuse of this code. A student’s parents are also advised of violations and of penalties arrived at by the Head of Middle School, the Athletic Director, and the coaching staff.

10. Enforcement may include temporary benching, suspension for the team, or expulsion from the team. Refer to the Student Handbook for penalties concerning the violation of general school rules and of the Honor Code as they relate to students who represent the school as members of an athletic team.

REMEMBER: If you are dropped from a team, you are not the only one who suffers. Your teammates and coaches will have a bigger load to carry.
PORTER-GAUD SPORTSMANSHIP GUIDELINES

Porter-Gaud’s teams are expected to conduct all their relations with other schools in a spirit of good sportsmanship. Porter-Gaud may use every means at its disposal to impress upon its coaches, student athletes, and fans the values of sportsmanship in the preparation for, and conduct and management of our sports programs at all levels.

A number one goal is developing pride in our programs. This requires a united effort of dignity and accountability for all of our actions. Each of us has a responsibility to encourage and insist upon the following actions on the part of our coaches, student athletes, and spectators:

- **BE COURTEOUS TO ALL** participants, coaches, officials, staff and fans.
  Applaud during introductions, shake hands of opponents, show concern for an injured player, extend hospitality to visiting players, coaches, cheerleaders and fans.

- **KNOW THE RULES, ABIDE BY AND RESPECT THE OFFICIAL’S DECISION**
  Utilize every opportunity to promote understanding of the rules of the contest with the school and community; accept the official's decisions without display of temper, arguing or derogatory remarks.

- **WIN WITH DIGNITY, LOSE WITH CHARACTER**
  Treat competition as a game, not war, and applaud at the end of the contest for performance of all players.

- **EXERCISE SELF CONTROL** and reflect positively upon yourself, your team and Porter-Gaud School.
  Support the activity by displaying TOTAL UNITY as fans, as opposed to boasting or using antics which draw attention to yourself instead of the contest.

- **PERMIT ONLY POSITIVE SPORTSMANSHIP-LIKE BEHAVIOR** at Porter-Gaud and all of our programs.
  Encourage those around you to display only positive sportsmanlike conduct; Discourage use of profanity, taunting or other destructive mannerisms.

As a Porter-Gaud coach, athlete and fan, you are expected to conduct yourself with integrity, sportsmanship, honesty, pride and humility. Your conduct is closely scrutinized as you compete at home and on the road. You are looked upon as a role model, particularly by your peers and younger children, and it is important that your personal conduct be above reproach at all times. Realize that you are representing yourself, your team and Porter-Gaud School...do so with class.

Please be reminded to read the SCISAA Code of Conduct and the Porter-Gaud Athlete’s Code in the Student Handbook.

PORTER-GAUD STUDENT PASSES

All Porter-Gaud students who show their athletic passes are admitted free of charge to on-campus athletic events (except tournaments and playoffs) which are designated as home games. Those not having passes and wishing to attend are required to pay the admission charge. The use of someone else’s pass or lending of one’s own pass constitutes an Honor Code offense. If a student leaves the athletic event, he or she is not permitted to return.
TEAM TRAVEL

Unless special permission is granted by the Head of Middle School or Head Coach, all athletic team members travel together on school transportation to and from away games. In order to be considered for permission to travel to or from an athletic event using transportation that is not provided by the school, a student athlete is expected to provide the coach with parent’s written permission. The parent permission letter is to state specifically with whom the student is allowed to leave the game. This permission is granted by the coach only in unusual circumstances.

FIELD TRIPS/FIELD DAY/WINTERIMS

Educational Grade Level Class Trips, Winterim, Field Trips, and in some cases fun outings, are planned for classes during the year. Parents receive a notice which indicates the destination, departure time and return time, method of transportation, costs, and other pertinent information. For most of these outings school attire is acceptable: physical education attire is not acceptable unless teachers have specifically instructed students to wear it; for some more dressy clothes may be expected. Porter-Gaud School may require a background check on any person who, at the School’s behest, comes into close and regular contact with our students; this includes, for example, parents who act as chaperones for any trips or outings. Educational Grade Level Class Trips, Winterim, and Field Trips, whether day or overnight, need at least two chaperones, including at least one male and one female, unless otherwise approved by the Head of School.

If a permission slip signed by the parent or guardian is not returned to the school, the student cannot be permitted to go with the group.

STUDENT INSURANCE

Each student is currently automatically covered by supplemental insurance carried by the School through Sadler Insurance Company.

Questions about the limitations of this policy should be addressed to the business office. Students and parents are responsible for obtaining claim forms from the business office immediately following an accident. Any delay in submitting a claim could jeopardize payment.

Any students who incurs head or neck injuries and/or who is injured to the degree that a doctor’s attention is needed may not return to practice or to competition until written permission is given by a doctor. Porter-Gaud School further reserves the right not to permit a student to participate in athletic contests.

GYM RULES

1. No students are allowed in the gym while P.E. classes or team practices are in progress.
2. Students may not wear street shoes on the gym floor.
3. Students are not allowed to participate in P.E. class unless properly dressed in physical education apparel.
4. Students are not allowed in the gym during recess unless scheduled by Middle School Dean
5. Students may not use gym facilities without the supervision of a member of the faculty.
6. After 3:00 p.m., during basketball and volleyball seasons, the courts are off limits to all students not participating in regular team practice.
7. To be excused from participating in the physical activity of a P.E. class, students are expected to bring a written note from a parent or guardian to the Head of Middle School. Long periods of non-participation (over four days) require a doctor’s certificate.

8. Students may not move the bleachers or goals.

9. Students may not bring food or drinks into the gym or locker rooms.

10. Students are expected to lock their lockers and be responsible for lost locks. Each lost lock will cost the student $5.00.

STUDENT SERVICE

Student service at Porter-Gaud is done on a volunteer basis. Opportunities are scheduled throughout the year under the supervision of various faculty and staff members. Events are announced in homerooms and publicized on campus. Most of these projects are done during scheduled times in the normal school day. Some require time after school or on Saturdays. Middle School students are encouraged to participate in as many of these projects as time permits based on their own interests and to also participate in projects sponsored by non-school community organizations, churches, or synagogues. Students should fill out a P-G Middle School Service Form for each project and have it signed by a sponsor of the activity. The Middle School Service Form is available online.

Fifteen service hours are required for consideration for the Clark Merit Awards given in the 8th grade. All 5th, 6th, 7th, and 8th graders are encouraged to submit service hours. Service awards will be given at the 5th, 6th and 7th Awards Assembly and 8th grade graduation.

STUDENT ACTIVITIES

Fund Raising Projects By Students: Any fund raising project is to be approved in advance by the Faculty Advisor, the Middle School Dean, the Head of Middle School, and the Head of School, respectively. Students may not use funds from class accounts for student parties that are not school sponsored. All class and club accounts are subject to spot audits during the year and are to submit an end of the year formal financial statement to the Business Manager. Dress down days may not be used for fund raising projects by students without permission by administration.

No Porter-Gaud student should sell items or solicit contributions, pledges, or orders in the community unaccompanied, or use other means of selling items or soliciting contributions, pledges, or orders that may expose the student to risk of harm. This means that all fund-raising activities in which students should participate are “in-house,” i.e. on school grounds, at school functions, or directed towards family members, etc., unless the student is accompanied by a responsible adult.
STUDENT COUNCIL

Any student who is interested in the Middle School Student Council must complete an application with their parent detailing the responsibilities of STUCO. Middle School Student Council is a cross section of grade level students who gather to provide a voice of leadership for the middle school student body. Responsibilities include but are not limited to: planning all middle school socials and activities, creating and managing Friday Morning Meetings, providing open forums for student to voice ideas and concerns, communicating and working with faculty and administration, and meeting bi-weekly for updates and planning. All meetings are open to every MS student.

BOYS’ AND GIRLS’ CHOIRS

Students sing a varied repertoire of music. The groups perform many times during the school year, both on campus and in the community. Highlights of the year are Founders Day, the Middle School Christmas program, the Middle School Musical.

CLUBS

Student clubs may meet during the Middle School Community Life Period, before school, during lunch, or after school. Each club is sponsored by Middle School teachers or staff members. Times and places for club meetings are announced in the morning announcements. Clubs in which Middle School students may participate include, but are not limited to:

- MS Service Club
- Science & Environmental Club
- Minecraft Club
- Mock Trail Club
- Battle of the Books
- Art Club
- Junior Youth in Government
- Vestry
- Daze Between
- Global Union
- Math Counts

MIDDLE SCHOOL SOCIALS

Different types of social activities are planned for Middle School students with the Dean of the Middle School and Student Council. The socials are chaperoned by Porter-Gaud teachers and staff. The social activities are open to all Porter-Gaud Middle School students. Porter-Gaud students may bring guests who are fifth, sixth, seventh, or eighth grade students at another school if the guests are registered in advance. Middle School students may not attend any Upper School social activities.
IMPORTANT SCHOOL POLICIES
PORTER-GAUD SCHOOL PROGRAM FOR STUDENT ASSISTANCE/
SCHOOL COUNSELOR

Porter-Gaud has implemented a non-disciplinary assistance program to provide prevention, early identification, intervention and referral services for students who are having emotional, academic or family difficulties, as well as those with alcohol or other drug abuse problems or eating disorders. Services include education, support groups, health assessments, consultations for students, parents, and faculty, and referral to appropriate professional services. Students may seek consultation or make inquiries about available services by contacting the Middle School Counselor, Flo Sanders at 402-4683.

EQUAL OPPORTUNITY

Porter-Gaud strives to provide its students equal opportunity without discrimination and on the basis of race, sex/gender, color, or national origin in the administration of its admission, academic, scholarship, education and athletic policies. The School cannot tolerate harassment or retaliation for complaints of such discrimination or harassment.

Similarly, Porter-Gaud School strives to avoid discrimination against disabled students. Harassment and/or retaliation related to disability is also prohibited. If, however, any requested modifications of policies, practices or procedures to meet learning needs would fundamentally alter the academic nature of the programs provided by Porter-Gaud or present an undue burden, the School will not make such modifications; the Porter-Gaud School Academic Expectations policy in student handbooks sets forth the scope of such accommodations to be considered by the School.

HARASSMENT/ABUSE

Harassment: Porter-Gaud is committed to the goal of providing an environment free of harassment or abuse of any kind. Sexual harassment and harassment based on gender, age, race, color, religion, national origin or disability are prohibited as defined by law and contradictory to the school's policy and philosophy. The Uniformed Services Employment and Reemployment Rights Act (“USERRA”) also provides certain protected status rights arising from past or present membership or obligation to serve in the uniformed services under circumstances provided by the Act. Inherent in Porter-Gaud’s belief in respect for the individual is the principle that every individual, including each student, teacher or member of staff/administration, is due appropriate respect and freedom from harassment in any form. Therefore, harassment as defined in this policy may or may not be based upon a legally protected status. As to students, abuse, as defined below, may or may not overlap with harassment; additional legal protections and requirements are provided under state law. All forms of sexual harassment, other prohibited harassment and abuse as defined below, in or affecting the school environment to the extent it acts to create a hostile or harassing environment, are specifically prohibited.

Sexual Harassment, Other Prohibited Harassment and Abuse

A. Definitions

The definitions are interpreted and applied by the School consistent with applicable law as well as accepted standards of mature behavior. While protected status protections may not be available to Porter-Gaud students under current applicable law, Porter-Gaud also prohibits sexual/gender and non-sexual harassment of its students and employees using the definitions below.

B. Harassment Based on Legally Protected Status

a) Sexual/Gender Harassment (Protected Status): Sexual/gender harassment is defined to include unwelcomed sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, whether or not such conduct is legally actionable. Undesired physical contact, repeated, unwelcomed requests for social engagements, and questions or comments about sexual behavior or preference are included in this definition. Additionally, sexual harassment is behavior directed at an employee (whether faculty, staff or administration) or
student because of his or her sex/gender when (i) submission to such conduct is made either explicitly or implicitly a term or condition of academic or other school related benefits or employment; (ii) educational or other school related opportunities/academic benefits, job benefits or other decisions affecting an individual’s employment or such opportunities/benefits are explicitly or implicitly granted or withheld based on submission to, or rejection of, unwelcome requests or conduct, based on sex/gender; or (iii) the academic, school related and/or work environment is hostile, in other words, oppressive and/or has the purpose or effect of unreasonably interfering with a student’s academic performance or an employee’s job performance by creating a sexually intimidating, hostile, or offensive educational or work environment. Such harassment may also be based upon gender alone, despite lack of sexual advances.

b) Other Protected Status Harassment (non-sexual): Harassment based on other protected status is defined consistent with the law to include conduct which has the purpose or effect of unreasonably interfering with a person’s academic/school related or job performance or of creating or, for the School’s purposes, tending to create, an intimidating, hostile, or offensive school or work environment on the basis of a person’s legally protected status other than sex or gender, i.e. race, age, color, religion, national origin, disability and/or military service or obligation.

c) Examples of Protected Status Harassment: For purposes of this policy, the following are examples of prohibited Sexual/Gender Harassment and other protected status harassment as defined above. Harassing or offensive conduct in the school/academic environment or workplace, whether committed by regular members of Porter-Gaud’s community (including students, faculty, staff, administrators) or third parties (e.g., parents, guests, vendors) in school related settings may include, but is not limited to:

- Unwelcome sexual advances or requests for sexual favors or other favors based upon stereotypes of race, color, religion, sex, gender, national origin, protected age, disability and/or military service/obligation;
- Unwanted physical contact, including touching, pinching or brushing the body;
- Verbal harassment, such as sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions or threats; epithets; slurs; negative stereotyping (including “jokes”); or threatening, intimidating or hostile acts which relate to race, color, religion, gender, national origin, protected age, disability and/or military service/obligation;
- Non-verbal conduct, such as display of sexually suggestive objects or pictures, leering, whistling, or obscene gestures; written or graphic material (including communications by computers) that defames or shows hostility or aversion toward an individual or group because of race, color, religion, gender, national origin, protected age, disability and/or military service/obligation and that is placed on walls, bulletin boards, or elsewhere on Porter-Gaud’s premises, or that is circulated in and affects the school community via e-mail, internet posting or otherwise; and
- Acts of physical aggression, intimidation, hostility, threats, or unequal treatment based on sex (even if not sexual in nature) or upon race, color, religion, gender, national origin, protected age or disability and/or military service/obligation.

C. Non-Protected Status Harassment: For Porter-Gaud’s purposes, prohibited harassment in the academic environment not necessarily based on sex/gender or other protected status may be defined as follows: any harassing behavior in the academic/school environment, either verbal or non-verbal, where such behavior threatens a student’s or an employee’s safety and/or traumatizes the student or employee to a point that the student’s or employee’s performance in the academic/school environment or work environment is significantly affected.

D. Abuse: Porter-Gaud prohibits and is committed to the prevention of any form of abuse, including physical, sexual, or psychological abuse. For Porter-Gaud purposes, the term “abuse” can refer to any incident where any individual, adult or child, engages in conduct that harms or substantially threatens the physical, sexual or psychological well-being of any student. Such abuse can be sub-divided into three areas:

a. physical abuse: non-accidental physical injury and/or extreme and/or repeated failure on the part of the caretaker to meet the child’s physical needs;
b psychological abuse: extreme and/or repeated conduct which is inhumane or otherwise unconscionable;

c sexual abuse: sexual involvement between a child and an individual who has greater knowledge, authority, power or resources.

E. Reporting Duties for All Types of Harassment and/or Abuse: Any student or employee who believes that a Faculty member’s, Administrator’s, school employee’s, nonemployee’s or fellow student’s actions or words constitute illegal discrimination, harassment or abuse toward himself/herself or another has a responsibility to report the situation immediately to the Head of School, or in the case of the Head of School’s absence, conflict or other concern, to the Dean, School Counselor, Head of Middle School[s] or other administrator and, for students, any School teacher. Parents/guardians are welcomed to assist with this responsibility by reporting with their student, as appropriate. In the case of conflict, a report of harassment may also be made to the Board Chair. Thereafter, you may be asked to submit a written description to the Head of School. Reporting Responsibilities are detailed in the handbook section entitled “Reporting Responsibilities, Investigation and Complaint Resolution for Protected Status Discrimination and/or Harassment/Abuse.”

F. Additional Duty in Reporting Non-School Related Child Abuse

Porter-Gaud strives to abide by South Carolina law, which dictates requirements for reporting child neglect or abuse, even when it occurs outside the School. South Carolina law requires that any physician, nurse, dentist, optometrist, medical examiner or coroner or an employee of a county medical examiner’s or coroner’s office or any other medical, emergency medical services, mental health, or allied health professional, member of the clergy, including Christian Science Practitioner or religious healer, school teacher, counselor, Head of Middle School, assistant Head of Middle School, social or public assistance worker, substance abuse treatment staff, or childcare worker in any child care center or foster care facility, police or law enforcement officer, undertaker, funeral home director or employee of a funeral home, persons responsible for processing of films, computer technician, or any judge who has reasonable cause to believe that a child’s physical or mental health or welfare has been or may be adversely affected by abuse or neglect as defined by state law is to immediately report it to the local DSS or other proper law enforcement agency. S.C. Code §20-7-510.

The state law definition of child abuse and neglect is specific and detailed. A faculty or staff member who suspects or has any concern regarding child abuse or neglect is expected to report this information promptly to the Head of School, the Dean, School Counselor or any School Head of Middle School, who will assist in determining its duty and, if determined appropriate, assist in contacting the proper authorities.

A Faculty member or Administrator who has reason to suspect abuse or neglect and fails to report it is subject to prosecution; however, the person making the report based on valid suspicion and concern is protected by law from both civil and criminal retaliation.

G. Cooperation: All school employees, students, and/or parents/guardians are expected to fully cooperate as requested in any investigation. If Porter-Gaud determines that anyone involved in the investigation has intentionally withheld information or provided false information at any time, appropriate action may be taken.

H. No Retaliation: Retaliation against any student or employee for filing a complaint, participating in or cooperating with an investigation is strictly prohibited. Porter-Gaud does not tolerate adverse treatment of employees or students because they report any harassment or abuse or provide information related to such complaints. After a report, Porter-Gaud may make follow up inquiries to determine that any prohibited activity has in fact ended and retaliation has not occurred.
I. Complaint and Investigation of All Types of Harassment and/or School Related Abuse: A complaint of alleged protected status harassment (including sexual/gender harassment) or student and/or school related abuse with all appropriate times, places, and dates should be submitted to the Head of School or, in his/her absence, unavailability or in case of other concern, to the Dean, School Counselor, Head of Middle School[s] or other administrator, and, for students, any School teacher. In the case of conflict or other concern regarding reporting to the Head of School, such report may also be submitted to the Board Chair. The complaint may be made by anyone involved, including the student, his/her parents/guardian or eyewitnesses, including teachers, parents or students. The complaint and investigation procedure is detailed in this Handbook in the section entitled “Reporting Responsibilities, Investigation and Complaint Resolution for Protected Status Discrimination and/or Harassment/Abuse.”

J. Confidentiality/Reporting

Information provided is kept as confidential as possible in keeping with an investigation that is as thorough as the School determines necessary and appropriate to the charge. Additionally, once a complaint of school related abuse or harassment has been filed, the Head of School or the designee may periodically keep the accuser, the accused, the reporting party and Board Chair informed as the investigation and decision processes unfold and of the ultimate resolution and/or action to be taken. In all cases, the Head of School or the Board designee may also keep other concerned persons informed. See also “Reporting Responsibilities, Investigation and Complaint Resolution for Protected Status Discrimination and/or Harassment/Abuse.”

K. Discipline and/or Corrective/Responsive Action for All Types of Harassment and/or School Related Abuse:

Complaints Involving Students: Porter-Gaud, at its discretion, may suspend or otherwise separate from regular classes any student accused or suspected of harassment or abuse as defined herein. The circumstances may be promptly investigated by the School and/or appropriate law enforcement agencies. Any student determined by investigation and at the sole discretion of Porter-Gaud to have participated in any form of harassment, abuse or otherwise inappropriate behavior is subject to discipline and/or corrective/responsive action, up to and including immediate expulsion. Other disciplinary and/or corrective/ responsive action may include, but is not limited to, training, referral to counseling and/or corrective action such as a warning, reprimand, suspension, detention, transfer, community service and/or other requirements and/or penalties. Ongoing civil or criminal charges, pleas or other court related action will not impede Porter-Gaud from making an independent determination to the extent it determines it has sufficient information to take such action as it deems appropriate.

Complaints Involving School Employees: At any time following notice of a complaint, Porter-Gaud, at its sole discretion, may suspend with or without pay any school employee accused or suspected of abuse or harassment as defined herein. The circumstances may be promptly investigated by the Head of School and/or appropriate law enforcement agencies. Any school employee determined by its investigation and at the sole discretion of Porter-Gaud to have participated in any form of abuse, harassment, or otherwise inappropriate behavior is subject to discipline, up to and including immediate termination. Other disciplinary and/or corrective/responsive action may include, but is not limited to, training, referral to counseling and/or corrective action such as a warning, reprimand, suspension, transfer, demotion, removal of responsibility and related pay, community service and/or other requirements and/or penalties. Ongoing civil or criminal charges, pleas or other court related action will not impede Porter-Gaud from making an independent determination to the extent it determines it has sufficient information to take such action as it deems appropriate.
REPORTING RESPONSIBILITIES, INVESTIGATION AND COMPLAINT RESOLUTION FOR PROTECTED STATUS DISCRIMINATION AND/OR HARASSMENT/ABUSE

Reporting Duties for All Types of Discrimination, Harassment and/or Abuse:

Any student or employee who believes that a Faculty member’s, Administrator’s, school employee’s, nonemployee’s or fellow student’s actions or words constitute protected status discrimination, harassment or abuse toward himself/herself or toward another has a responsibility to report the situation immediately to the Head of School, or in his/her absence, unavailability or in case of other concern, to the Dean, School Counselor, Head of Middle School[s] or other administrator and, for students, any School teacher. Parents/guardians are welcomed to assist with this responsibility by reporting with their student, as appropriate. In the case of conflict or other concern regarding reporting to the Head of School, a report of such discrimination, harassment or abuse may also be made to the Board Chair. Thereafter, you may be asked to submit a written description to the Head of School or a Board designee, as applicable. This reporting responsibility specifically includes the Dean, counselors, Head of Middle Schools, the Chaplain, teachers, staff and any other administrator or supervisor or those in positions of authority to whom such a report may be made. These individuals are to directly report any such concerns reported or expressed to them directly to the Head of School or in his/her absence or conflict, to the Board Chair.

Porter-Gaud understands that such reporting may be embarrassing and makes every effort to handle the matter with sensitivity and discretion. Timeliness of reporting is extremely important; it may allow for a more complete investigation and better resolution and/or preventive measures.

Please note also that faculty members and other members of administration or staff receiving reports or complaints of behavioral issues (teasing, bullying, etc.) from students or their families should notify the appropriate Head of Middle School of the complaint so that any pattern might be better recognized.

Complaint and Investigation of Protected Status Discrimination, All Types of Harassment and/or School Related Abuse:

A complaint or report of protected status discrimination, harassment and/or abuse may be made by anyone involved, including a student, his/her parents/guardian, faculty, staff, administration or eyewitnesses including teachers, staff, administration, parents or students. While the initial complaint may be made verbally, Porter-Gaud may request a signed written complaint/report to follow. Although failure to immediately receive the complaint in writing does not prevent investigation, delay or lack of substantiated detail may hamper the investigation and appropriate resolution. A complaint of alleged protected status discrimination and/or harassment (including sexual/gender harassment) or student and/or school related abuse should include all appropriate times, places, and dates.

Upon receipt of the report, Porter-Gaud may take such immediate actions as it deems appropriate. This may include notifying the individual charged and/or the parents, if a student is involved, that a complaint has been lodged. Impracticality of immediate parent notification does not prevent Porter-Gaud from taking such immediate action as it deems appropriate, including but not limited to separating, suspending and/or questioning and/or preliminary disciplinary action of the individual[s] involved.

Porter-Gaud conducts a prompt investigation of any allegations of protected status discrimination, school related abuse, sexual harassment or harassment of a similarly offensive nature based on protected status, including gender, age, race, color, religion, national origin and disability. The Head of School, or, in case of the Head of School’s absence or conflict, the Board’s designee (the “designee”) may appoint a member of the faculty or staff or another person, as determined appropriate, to investigate and document the events specific to the charges. During the investigation, anyone who is alleged to have committed acts of protected status discrimination, harassment or abuse may be contacted and permitted to respond to specific allegations. Upon review of the investigation and/or documentation, the Head of School or the Board’s designee, as applicable, determines the seriousness of the circumstances, and may take such action as the School deems appropriate, including, as determined appropriate, remedial and/or preventive measures.

THIS IS NOT A CONTRACT.

2017-18
As to any student who is the subject of an investigation, the Head of School or designee notifies the student's parent[s] or guardian[s] if he/she determines that potential adverse disciplinary or corrective actions may directly affect the student's permanent record or ability to attend school. If, within five (5) days of such notification, the student's parent[s] or guardian[s] so request, the case may be submitted to an ad hoc committee generally comprised of the Head of School or the designee's appointee(s), the Chair of the school's Board of Trustees, and/or a member of the Board appointed by the Chair of the Board. The Head of School or the designee appoints the Committee Chair. The Committee Chair presents the findings of the committee and recommendations for action to the Head of School or the designee, who makes the final decision. At his/her discretion, the Head of School or the designee may request additional information and/or recommendations. Whether or not an ad hoc committee is requested, the ultimate decision is with the Head of School or designee.

As to any Porter-Gaud employee who is the subject of any investigation, the Head of School or the Board designee, as applicable, has full discretion to seek such input and assistance from the Board as he/she determines to be appropriate. Further, the Head of School or Board designee, as applicable, has full authority to take such disciplinary and/or corrective action as he/she deems appropriate at any stage of the investigation. Should the matter call for discipline and/or corrective action as to a Porter-Gaud employee or third party, such corrective action, discipline and/or communication as the Head of School or Board designee, as applicable, deems appropriate follows.

Confidentiality/Reporting

Information provided is kept as confidential as possible in keeping with an investigation that is as thorough as the School determines necessary and appropriate to the charge. Additionally, once a complaint of school related abuse or harassment has been filed, the Head of School or the designee may periodically keep the accuser, the accused, the reporting party and Board Chair informed as the investigation and decision processes unfold. When a final determination is made, the Head of School or the designee informs the accuser, accused, reporting party and Board Chair of the ultimate resolution and/or action to be taken. In all cases, the Head of School or the designee may also keep other concerned persons informed.

About Using This Process

Please note that rights and requirements, including time deadlines, related to the filing of claims with any state or federal enforcement agencies are not changed by this internal complaint resolution process. While in some instances the involvement of outside agencies may be appropriate, it is Porter-Gaud’s hope that all will access and find the School's internal complaint process satisfactory.

Porter-Gaud asks that employees, students and anyone else concerned bring any difficulties in using the procedure to the immediate attention of the Director or Human Resources, the Head of School, or in the case of conflict or absence of the Head of School, to the Chairman of the Board of Trustees, as applicable.

Any report of concerns of protected status discrimination, harassment and/or abuse experienced or observed, should be made without fear of retaliation by Porter-Gaud School.

VIOLENT BEHAVIOR/THREATS

School violence, whether actual or threatened, is a problem which cannot be ignored. Both Porter-Gaud policy and philosophy prohibits violent, abusive or threatening behavior in the school community. Prohibited acts also include obscene, abusive or threatening language or gestures, aggressive behavior, violent acts and/or threats toward self or others. The School does not tolerate any acts or threats of violence by or against faculty, staff, students, guests or other third parties on Porter-Gaud premises or while they are engaged in school business, on or off Porter-Gaud premises. Any reported incident indicating serious threat to the safety or security of the Porter-Gaud community receives immediate appropriate response.

Any student who displays a tendency to engage in these prohibited behaviors, or who otherwise engages in behavior that Porter-Gaud, in its sole discretion, deems offensive or inappropriate may be referred to the School Counselor for
counseling or appropriate referral. The availability of such referral/counseling does not prevent Porter-Gaud School from taking appropriate corrective/disciplinary action (up to and including expulsion) for violation of school policy.

The School expects all members of the school community to warn or advise a teacher/supervisor, Dean, Head of Middle School or the Head of School of any suspicious activity or problematic incident they observe or are aware of involving students, guests, third parties, other faculty/staff members and/or former faculty/staff/students. Should a faculty or staff member receive such a report from students or others, /he is expected to communicate this information to the Head of School or the Head of Middle School immediately for further investigation. Reports are treated confidentially as practicable in keeping with a thorough investigation. The School does not condone any form of retaliation against anyone who reports under this Policy.

If a student is identified as having made a threat of harm to himself/herself or anyone within the Porter-Gaud community, that student’s parents or guardians are notified. However, the student may be questioned, preliminary disciplinary action may be taken, the student may be removed from the environment and/or outside authorities may be called to assist, whether or not the student’s parents or guardians can be reached immediately.

If the student is removed from the School, return to Porter-Gaud may be conditioned upon evaluation by an appropriate professional outside of the Porter-Gaud community who is acceptable to Porter-Gaud, trained in child or adolescent behavior, and finds that the student poses no harm to him/herself or to our School community. A written copy of the evaluation is sent to the School so that a decision can be made regarding the student’s return to Porter-Gaud School. Furthermore, any disciplinary action deemed appropriate may be taken prior to or upon the student’s return. Any evaluation by a professional does not prevent the School from taking disciplinary action (up to and including expulsion) for violation of School policy at any time deemed appropriate by the School. Violent behavior and/or threats cannot be tolerated at Porter-Gaud School.

In dealing with this matter, which stands in opposition to the School’s mission and has such potential for harm within our community, Porter-Gaud School needs to call upon all of its resources to educate our children. Faculty/staff members and our parent partners must work together to help our students understand why even threats of harm which undermine the safety and integrity of our community cannot be tolerated. This proactive stance provides a substantial foundation for the safety of our students.

SEARCHES

In the interest of a safe and drug free school community or to safeguard property, Porter-Gaud may question and search at any time, at its discretion and without notice, for illegal drugs, alcohol, weapons and/or personal property of Porter-Gaud or others, in its facilities or on or about a student while the student is at Porter-Gaud engaged in school activities. The search may include any property which belongs to Porter-Gaud even though it may be loaned to the employee or student. In this connection, please know that all equipment and storage areas including, but not limited to, computers, disks, closets and lockers are the property of Porter-Gaud.

If the School, at its discretion, determines a reasonable suspicion exists, school administrators or their designees may also inspect without notice any packages, parcels, purses, wallets, handbags, briefcases, book bags, automobile, tool boxes or any other possessions or articles carried to and from Porter-Gaud’s property including contents of external hard drives, thumb drives or other data storage devices.

Consistent with law, any person entering the premises of any school in this state is deemed to have consented to a reasonable search of his/her person and effects. School administrators or their designees may also conduct reasonable searches of the person and property of visitors on school premises. S.C. Code §§59-63-1110, 1120, 1130.

Employees, students and visitors are expected to cooperate in the conducting of such searches. [8/06]

The failure by any permitted user to follow any of Porter-Gaud’s guidelines in this policy, the Request for Facilities Use and/or the Agreement for Use of Porter-Gaud Facilities/Release, Hold Harmless and Indemnity Agreement may result in Porter-Gaud School immediately requiring the violating user and/or all permitted users to depart Porter-Gaud facilities without refund, if applicable, and/or disapproving any future requests.

POLICY FOR STUDENTS REGARDING ALCOHOL, CIGARETTES, E-CIGARETTES, AND ILLEGAL DRUGS

General

Porter-Gaud believes that the use of alcohol, cigarettes, e-cigarette, or illegal drugs by students interferes with healthy adolescent development. Porter-Gaud also has an obligation to abide by state and federal laws and to expect its students to do the same. If a student is discovered using, purchasing, possessing or selling alcohol, illegal drugs or illegal drug look alike, the situation is treated as a major offense requiring discipline as set forth below. In addition, students who choose to remain present when school alcohol and/or other drug rules are being broken may also be subject to major disciplinary action, up to and including expulsion, depending on disciplinary history and/or circumstances.

Policy for Drug and Alcohol Use

In furtherance of Porter-Gaud School’s policy, the following specifics apply for drugs and alcohol:

- Except by valid prescription, no student may possess, use, transmit, conspire to transmit, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substance as designated by state or Federal law or any alcoholic beverage, including, but not limited to, beer, wine or intoxicating liquor. Any prescription medication that must be brought to school is to be kept in its original container and left with the Front Office Staff at the beginning of the school day to be retrieved at the end of the school day.

- No student may possess, use, transmit, or conspire to transmit drug paraphernalia or counterfeit ("look alike") drugs. Nor may a student possess, use, transmit, conspire to transmit, or be under the influence of any other chemicals or products with the intention of bringing about a state of exhilaration or euphoria or of otherwise altering the student's mood or behavior.

This policy applies to all students during school, on school sponsored activities, on school premises (building or grounds), on school vehicles, or on school approved vehicles.

This policy does not apply to the proper possession and use of prescription medication or to the legal possession of any of the above listed substances in connection with a faculty approved school project.

Please note: Under South Carolina state law, it is a separate criminal offense for a person to distribute, sell, purchase, manufacture, or to unlawfully possess with intent to distribute, a controlled substance while in, on, or within a one-half mile radius of the grounds of a public or private elementary, middle, or secondary school. S.C. Code Ann. §44-53-445.

Policy for Tobacco and Cigarette Smoking

Use, possession, transmission, or conspiring to transmit any form of cigarette, e-cigarette, or any other tobacco product is strictly prohibited.

This policy applies to all students during school, on school sponsored activities, on school premises (building or grounds), on school vehicles, or school approved vehicles.

This policy does not apply to the legal possession of tobacco product, cigarette or e-cigarette in connection with a faculty approved school project.

Self-Initiated Counseling

Any student who, prior to any violation of Porter-Gaud School policy, takes the responsibility to seek help for his, her or another’s use of alcohol or other drugs will be supported in this effort, without disciplinary response.
When a student who is not under the influence of alcohol or other drugs goes to the School Counselor or otherwise seeks consultation through the School Counselor on his or her own initiative to discuss a health problem – including use of alcohol or other drugs – counseling is offered and encouraged. Further steps might be recommended after consultation with the student and parent[s] or guardian. The School Counselor can provide education, counseling and arrange for referrals and outside evaluations.

**VOLUNTARILY SEEKING HELP OR SUPPORT FROM ANY FACULTY OR STAFF MEMBER CONCERNING SUBSTANCE USE OR ABUSE IS NOT CONSIDERED A VIOLATION OF THIS POLICY.** The faculty or staff member involved may then help the student obtain help or support from the Counseling Department.

**Investigation**

A report of violation of this Policy with all appropriate times, places, and dates should be submitted to the student’s Head of Middle School or, in his/her absence, the Head of School, the School Counselor, the Chaplain, or any school teacher or administrator. The report may be made by anyone involved including the student, his/her parents/guardian, or eyewitnesses including teachers, parents or students.

Upon receipt of the report, Porter-Gaud may take such immediate actions as it deems appropriate. This may include notifying the individual charged and/or the parents, if a student is involved, that a report of violation of the School’s policy for alcohol, cigarettes, e-cigarettes and illegal drugs has been lodged. Impracticality of immediate parent notification will not prevent Porter-Gaud from taking such immediate action as it deems appropriate, including but not limited to separating and/or questioning and/or preliminary disciplinary action of the individual[s] involved. It is Porter-Gaud’s policy to conduct a prompt investigation of any allegations of violation of this Policy.

As to any student who is the subject of an investigation, the Head of School or designee notifies the student’s parent[s] or guardian[s] if he/she determines that potential adverse disciplinary actions may directly affect the student’s permanent record or ability to attend school. In all cases, the Head of School or the designee may also keep other concerned persons informed.

**Consequences of Violation**

In each division, the respective Head may meet with any student reported to be in violation of these policies for a first offense. The Head may elect to suspend the student immediately if he/she finds the student to be potentially under the influence of drugs or alcohol, reason to be concerned about the safety or health of the student or others and/or for any other reason at the discretion of the school. For those same reasons, the Head of Middle School may require the student and his/her parent(s)/guardian(s) to meet with the Counseling Department and, additionally, may require evaluation and counseling by a professional outside the School at the student’s expense. Any offense involving the possession of illegal drugs on campus is referred immediately to the Head of School’s Committee of Review. Any second offense involving alcohol use or possession, or any case in which the school administration believes the circumstances are serious enough to warrant expulsion, is referred to the Head of School’s Committee of Review. If the Head of Middle School and/or the Head of School’s Committee of Review finds the student culpable, he/she is subject to the following penalties and conditions as recommended and accepted, or as amended, by the Head of Middle School and/or Head of School. For any offense, law enforcement may be contacted and/or consulted with at any time as deemed appropriate.

**ADDITIONALLY FOR FIRST OFFENSE:**

For use or possession of alcoholic beverages:

1. Parent(s)/guardian(s) are notified as possible. School officials are expected to release the student only to parents or guardians except under exceptional circumstances. The School cannot be responsible for actions of any police department or police officer.

*THIS IS NOT A CONTRACT.*
2. Students who are judged to be under the influence of alcohol at a school event or official function, on or off campus, will be suspended.

3. Students who are suspended for alcohol violations may also be required to meet with the Counseling Department and to have evaluation and counseling by a professional outside the School and approved by the School at the student’s expense.

4. As a condition of returning to the School from evaluation, counseling, or leave of absence for any necessary alcohol/drug abuse treatment or rehabilitation, the School may make the following requirements:

   *Affirmation to the Counseling Department by the outside professional that the student has successfully completed appropriate counseling and any additional treatment/rehabilitation program.
   *Recommendation to the Counseling Department by the outside professional that the student is released for return to school.

5. If a program of treatment or rehabilitation extends beyond the end of the school year, Porter-Gaud School does not guarantee that there will be a place available in the class to which the student would return.

In addition to the consequences prescribed above, the Head of Middle School may require an out-of-school and/or in-school suspension, Disciplinary Probation, and/or other disciplinary penalties appropriate to the conditions and circumstances.

Additionally, for use or possession of a controlled substance, drug paraphernalia or counterfeit drugs:

   - Suspension and immediate referral to the Head of School’s Committee of Review, which considers expulsion.
   - The decision of the Head of School is final.

Additionally, for SECOND OFFENSE OR VIOLATION OF CONDITIONS OF FIRST OFFENSE:

   - Suspension and immediate referral to the Head of School’s Committee of Review, which considers expulsion.
   - The decision of the Head of School is final.

Code of Conduct Guidelines for Protecting Our Students

Our Code of Conduct outlines appropriate standards of behavior for all adults towards our students. The Code strives to protect students, reduce opportunities for abuse or harm to occur, and promote student safety and welfare in the Porter-Gaud School environment.

The following expectations of behaviors and boundaries are for all adults interacting with students within our School community. This includes all full-time and part-time employees, volunteer coaches, substitute teachers, Flik Dining personnel, student athletic trainers, tutors, bus drivers, chaperones for overnight field trips, after-school or summer camp program staff, parent/guardian volunteers, and any others who may be in close contact with our students at the School's behest.

If an adult breaches the Code of Conduct, Porter-Gaud may take disciplinary action, up to and including dismissal, as well as initiate a criminal investigation with the City of Charleston police department or the appropriate law enforcement agency.
